

**MOLLY R LOOMIS
RESEARCH FOR
DESCENDENTS OF TOXIC
EXPOSED VETERANS
ACT**

**ALL DESCENDANTS
ALL EXPOSURES**

**CALL YOUR U.S. LEGISLATIVE
REPS TODAY AND TELL THEM
TO SUPPORT BILL S. 2061**

The Molly R Loomis Research for Descendants of Toxic Exposed Veterans Act (aka Senate Bill 2061), as introduced by Sen. Blumenthal and Sen. Murray, would initiate a meta-analysis of all available studies and allocate 15 million USD to independent, including international, researchers for future studies on the effects on descendants of military toxin exposure. The scope and scale of this bill are unprecedented and overdue.
